

Future Improvements

Watch out for more updates in the near future as we fundraise and make improvements to the flooring, lighting, security and aesthetics. Did we forget to mention the new roof?

A few improvements that have been made already include:

- An industrial sized kitchen.
- Spotless bathrooms
- Elevator
- Handicap accessibility
- the new roof
- Ceiling
- Doors
- Fresh paint

Left: This lower level hallway leads to the spacious kitchen and new bathrooms.

Below: Easy access between floors and the kitchen!

All of these improvements are made possible by the time, talent and treasure of the people and businesses of Hortonville and the surrounding communities. We thank you!

Large or *small* the Hortonville Community Hall is the perfect fit!

Hortonville Community Hall is the place for your event!

Looking for a great location for your next event? Look no further than the **Historic Hortonville Community Hall**. Registered on the list of Historic Places, this charming building is perfect for your next wedding, bridal shower, baby shower, graduation party or dramatic event.

The Historic Hortonville Community Hall currently is called home by many civic groups including the Hortonville Area Chamber of Commerce, the Black Otter Lake District, the Hortonville Historical Society and the American Legion who host their regular meetings and special events at the Community Hall. Regular voting is also held in the lower portion of the Hall.

The large main area is a great place for large groups of up to 350 people. But the lower party/meeting room area makes for a wonderful setting for more intimate groups of 1-215 people. Tables can be arranged in round settings in the lower party/meeting room or banquet settings on the main floor.

The original windows add a touch of elegance to the spacious upper level.

The Hall's industrial sized kitchen is ready for any event.

The open area of the Community Hall is located on the main level and is large enough for most events.

The charming entryway to the main level

Historic Yet Modern

Did you know that the Community Hall recently had several updates to it? The elevator and handicapped accessible ramps are just one of many improvements made including modern restrooms. The large kitchen in the lower area houses industrial equipment able to feed a crowd. Don't let the traditional cabinetry fool you. This kitchen is ready for your event! Just ask the ladies of the American Legion Auxiliary who host their membership dinners here on a regular basis. There is also parking available behind the building with handicap parking for your event.

The lower level of the Community Hall boasts a large space for your smaller events.

Generous parking is located behind the building.
